

## Xi Decanter

### For big bottles.

**Xi Decanter** is a wine decanting and serving aid for large bottles and a useful addition to **Xi Grand**. Whether it's a wine or champagne bottle, there's space for everything on the **Xi Decanter** and it can be poured elegantly and effortlessly. The **Xi Decanter** is handcrafted to a high standard.

Unique advantages of the **Xi Decanter**:

- Suitable for all bottle shapes and sizes from 3 to 18 liters (incl. 2 adjustable retaining rings)
- Simple, shapely fixation of the bottle with retaining rings and an adjustable stop on the bottom of the bottle
- Elegant decanting from the large bottle directly into the carafe or glass thanks to the very high-quality, easy-to-use, self-lubricating gear spindle
- Clear design, high-quality craftsmanship. Brushed stainless steel, easy to clean. Stable stand thanks to solid base plate and anti-slip devices
- **Xi Decanter L** from 3 to 18 liters
- **Xi Decanter XL** from 18 to 30 liters
