

Xi Rack Bordeaux

Optimised extension for bordeaux boxes.

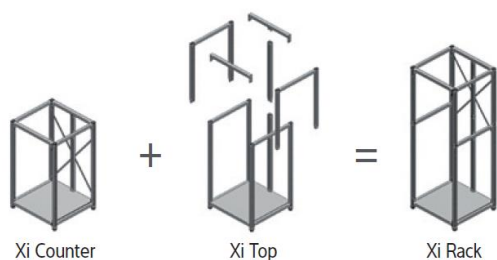

A professionally equipped wine cellar is a must have for any wine lover. **Xi wine systems** provides the perfect solution for high demands. As for example the **Xi Rack**, the intelligent wine rack. Also available with extension for wooden bordeaux boxes.

The patented X-idea:

- Modular principal: adjustable and expandable according to (changing) needs; flexible, combinable accessories
- European high-quality product: Austrian invention, European production, dampproof product: Ideally suited for moist cellar rooms through galvanized and powder coated steel
- Combinable with **Xi Counter** (bar table height), **Xi Rack** (1800 mm wine rack) and **Xi Wall** (wall rack)
